# Administration Report for August/September, 2024

# Follow-up from the August 13th Meeting:

- Ron Martin received his credit for the dust control application and the account is paid in full.
- I contacted SARM regarding the Demographic Survey that they sent out for councillors and they responded that they do not have that type of information and it would be useful when accessing funding, designing programs, etc. and the information will be used internally only.
- An invoice was sent to Jason's Plumbing and Heating for the misuse of the Loraas bins at the south transfer station. No response has been received.
- I contacted the Ministry of Highways to have them attend our October meeting to discuss Highway No. 22. Due to the election, they cannot meet with us in October so I have made a note to contact them and setup a meeting after the election.
- The Eddy Golf Club received their community event license for the tournament that they held on August 10<sup>th</sup>.
- I sent a letter of approval to Tammy Shields, the QP for the Cowie land drainage project, and to Water Security Agency for the land drainage project however they have follow-up questions that will be discussed at this meeting.
- Debra Shaw has officially accepted to Relief Administrator position and my planned last day of work is November 1<sup>st</sup>.
- Kolbie Marcotte accepted the Administrative Assistant position and started on August 26<sup>th</sup>.
- Bradley and Genevieve Bougher were issued approval for the subdivision of their residential yard site.
- Jordan & Lorna Hillier were issued approval for the subdivision of a new residential yard site.
- Taxes were cancelled on crown land and municipally owned land.
- The Policy Manual was updated to include policies PS-001 and TS-001 to TS-005

# Other Business Conducted/Updates:

- No building permits were issued in the month of August.
- We accepted a quote from Cummins & Son Excavating to build up the road that lies West of the NW Qtr. of Sec. 33, Twp. 21, Rge. 19, W2 on the condition that a potential purchaser in the area signs a servicing agreement to cover the cost of the road. The sale of the land fell through and has now sold to someone local and the road upgrade is no longer needed. I have let Mike Cummins know this.
- The fencing at the South transfer station and the Bryn Mawr transfer station will be going up the first week of October, weather permitting. The fence at the South Transfer Station will be going on the property line in order to have enough room within the compound.
- Brandt sent a quote for a new grader, however we just purchased one in October, 2023 so we are not due for our next grader until the end of 2025.
- I contacted Midwest Surveys for a quote to re-stake the boundary of the NE Qtr. of Sec. 24, Twp. 25, Rge. 19, W2. They provided a quote and this will be discussed at today's meeting.
